

Dear guests,

welcome to the „Brauhaus Castel“.

Built in 1990, the Sonne family has taken over this well-known restaurant and brewery in the year 1991.

Since then the „Brauhaus Castel“ is committed to serve our clientel with traditional Bavarian food and, of course, with our home-brewed famous „Brauhaus Castel“-beers.

Our famous events such as „Märzenbieranstich“ in march, the „Maibock-Fest“ beginning in may or the „Oktoberfest“ are yearly celebrated highlights.

Original Bavarian music, dance party...this is typical entertainment!

But not only these yearly events, also various activities, such as the „Open-day for the public“ to see our brewery, special Easter- and holiday attractions are offered to our guests.

The typical Bavarian „In-house-brewery“-atmosphere is enhanced with original wodden furniture and decoration, invites you and your friends to feel comfortable and welcome.

Especially proud of our tasty beer, brewed with finest regional mountain-water, malt and Tettnanger natural hops, we wish you an enjoyable stay in our „Brauhaus Castel“.
